

SULAIMAN LEBBE MUHAMMAD ASRI

Email: mohammadasri553@gmail.com Mobile: 076 896 7587

Address: No. 387/5, Bandarapothana, pubbogama, Kekirawa, Anuradhapura, Sri Lanka

PROFILE

Highly motivated Higher National Diploma in Information Technology (HND IT) student at SLIATE Anuradhapura with a strong foundation in software engineering, full-stack web development, mobile application development, and desktop application development. Proficient in HTML5, CSS3, JavaScript, Node.js, Electron, MySQL, Flutter, XML, and Object-Oriented Programming (OOP). Experienced in designing and developing responsive web applications, database-driven systems, and academic software projects. Currently expanding knowledge in Artificial Intelligence, Deep Learning, and Computer Vision through practical projects. A quick learner with excellent problem-solving, teamwork, and communication skills, seeking an internship opportunity to apply technical knowledge, gain industry experience, and contribute to innovative software solutions.

OBJECTIVE

To secure an Information Technology Internship with the opportunity to work as an Information Technology Specialist, utilizing my skills in software engineering, full-stack web development, mobile application development, database management, and AI technologies while gaining hands-on industry experience and contributing to the success of the organization.
